

SECTION 00020 - ADVERTISEMENT FOR BIDS

Yankee Storm Lift Station Improvements
Eagan, Minnesota

RECEIPT AND OPENING OF PROPOSALS: Proposals for the work described below will be received online through QuestCDN.com until January 28, 2021 at 11:00 a.m., at which time the bids will be privately opened online by the City and the Engineer. A tabulation of bids will be posted to QuestCDN.com as soon as possible after bids are opened.

DESCRIPTION OF WORK: The work includes the following:

1. Removal of existing lift station equipment and piping at the Yankee Doodle Storm Lift Station. The project includes the removal of the existing precast wet well lid and the top portion of the existing overflow structure.
2. Replace the buried gate valve between the existing wet well and overflow structures.
3. Reuse the existing wet well and furnish a new valve vault structure. Install pumps, piping, fittings, valves, and all appurtenances for the new station.
4. Furnish and install new controls for the Yankee Doodle Storm Lift Station, as noted in the Contract Documents.
5. Relocate the existing electrical transformer and install new power wiring between new transformer location and new control panel.
6. Furnish and install a new intake pipe in the adjacent pond and new intake structure between the pond and the existing overflow structure.
7. Perform repairs on various structures and riprap replacement in adjacent pond system.

COMPLETION OF WORK: All work under the Contract must be complete July 7, 2021.

MINIMUM CONTRACTOR QUALIFICATIONS: The Bidder shall have experience as a General Contractor in the successful completion of at least three (3) lift station projects within the last five (5) years.
